STORY 1 · NATIVITY SCENE ONLINE SHOP · GERMANY, SWITZERLAND, ITALY · SHOPIFY

All 5 Target Keywords on Page 1 of Google Germany

5 of 5	#1	3.1x	21 mo
target keywords on page 1	"krippenfiguren holz"	AI search impressions (Oct 2026)	3 country sites

The situation

The shop sells handmade nativity figures and most sales happen between October and December. The marketing lead wanted a long-term partner to grow rankings in three countries and beat specialist competitors.

The client's own message, 3 July 2026.

What we did

- **Audit and on-page in two languages** (Mar to May 2025)
- **Authority across three countries** (May to Aug 2025)
- **Q4 and a sharper plan** (Sep 2025 to Jan 2026)
- **Content and structure** (Feb to May 2026)
- **Overtaking competitors and AI search** (Jun to Nov 2026)

> "Everything is great and we continue working."
>
> Marketing lead, online shop, Germany · June 2025

Results

Google.de	All 5 client-chosen keywords on page 1 (re-checked 13 Nov 2026)
Google.de	#1 "krippenfiguren holz"; #2 "weihnachtskrippe holz" ahead of Amazon; #3 "kostner krippe" and "leonardo krippe"
Competitors	More organic traffic than Demetz by July 2026
AI search	Impressions 2.54K to 7.95K (October 2026)

STORY 7 · VINTAGE SIGNS ONLINE SHOP · USA · WOOCOMMERCE

Technical SEO That Got a US Online Shop Indexed

8x
indexed pages within days of the first fixes

74 of 79
category pages indexed (Dec 2025)

1,000
old product links redirected (Jun 2026)

Page 1
on Google US for "smokey bear porcelain sign"

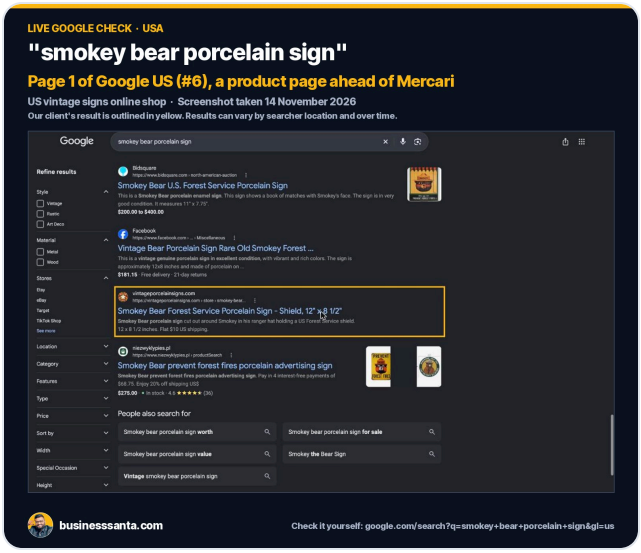

The situation

A small US business selling one-of-a-kind vintage porcelain signs. Every item is unique, so products were imported from eBay and deleted when sold, about 20 in and 20 out every day. After a year and a half online, Search Console showed just 1 indexed page, and earlier experts had not been able to fix it.

What we did

- **Audit and the hidden blockers** (November 2025)
- **Technical and on-page fixes** (November to December 2025)
- **A simpler setup** (Early 2026)
- **Redirects and product indexing** (June 2026)
- **On-page clean-up** (June to July 2026)

> "Also I already see 8 pages indexed!! Something is working!! Thank you!"

Live Google US check, 14 November 2026.

Results

Indexing	8x more pages indexed within days of the first fixes (November 2025)
Categories	74 of 79 category pages indexed (December 2025)
Old links	1,000 old product links redirected and 347 products submitted for indexing (June 2026)
Live check	Page 1 of Google US for "smokey bear porcelain sign" (#6) and "vintage porcelain sign shop" (#8), 14 Nov 2026

STORY 8 · AMERICAN BULLY BREEDER · FLORIDA, USA · SHOPIFY

Repairing SEO for a Florida American Bully Breeder

#2

on Google US for "pocket american bully puppies for sale"

#3

for "micro bully puppies for sale" and "american bully breeder florida"

#1

for the brand name

5 stars

and a long review after the audit

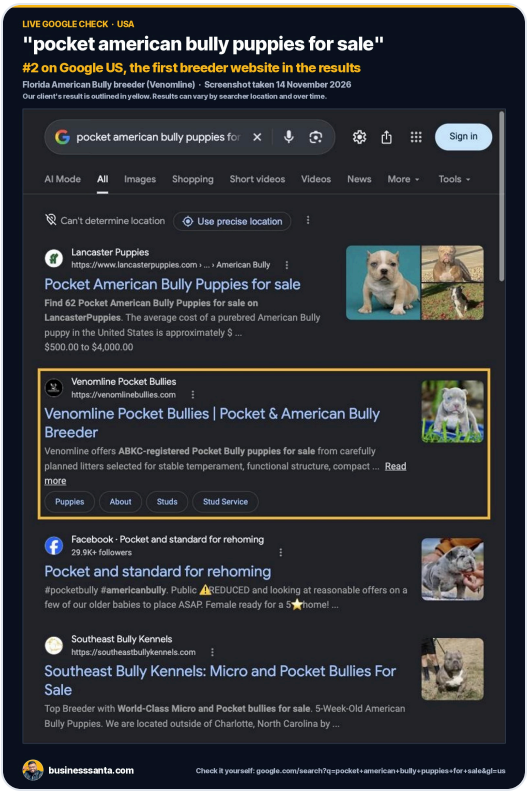

The situation

A Florida breeder of American Bully, Pocket and Micro Bully puppies with buyers across the US and abroad. Another provider's work had left his site worse, with errors in Search Console and Ahrefs. He came to us to fix it properly, with clear limits on what must not be touched.

What we did

- **Audit and plan** (December 2025 to January 2026)
- **Fixes** (January 2026)
- **Review and ongoing care** (January 2026 onward)

> "I am not interested in working with anyone else. Thank you!"
>
> Owner, American Bully breeder, Florida, USA · December 2025, before starting

Live Google US check, 14 November 2026.

Results

Main puppy search	#2 on Google US for "pocket american bully puppies for sale", the first breeder website in the results (14 Nov 2026)
More searches	#3 for "micro bully puppies for sale" and "american bully breeder florida" (14 Nov 2026)
Brand	#1 on Google US for the brand name
Client verdict	5 stars, a long review and a tip after the audit

How we work

Every engagement runs in short, fixed-scope stages, so clients only pay for work they can see and choose each next step themselves.

1
Free audit and a call to understand the business and goals

2
A fixed-scope plan with named deliverables and a price agreed up front

3
A written report every week or month, with the source tool named

4
Renew only if happy. No long-term contract
