< 1 day
to launch a flood-response campaign

The situation

The group runs five home-improvement brands around Seattle, from kitchen remodels and new homes to siding and flood restoration. A marketing lead manages the work with the owner and the sales team. They came to us after a traffic drop and stayed for 21 months as the scope grew from one website to five brands.

The client's own message, 18 July 2025.

What we did

- **Audit and foundation** (Nov to Dec 2024)
- **Google Business Profile, links and Google Ads** (Jan to Mar 2025)
- **Four brands, content at scale** (Apr to Sep 2025)
- **Seasonal speed** (Oct 2025 to Jan 2026)
- **Local Service Ads and lead routing** (Feb to May 2026)

51.1K
Google impressions (June 2025)

18 mo
partnership, a report every week

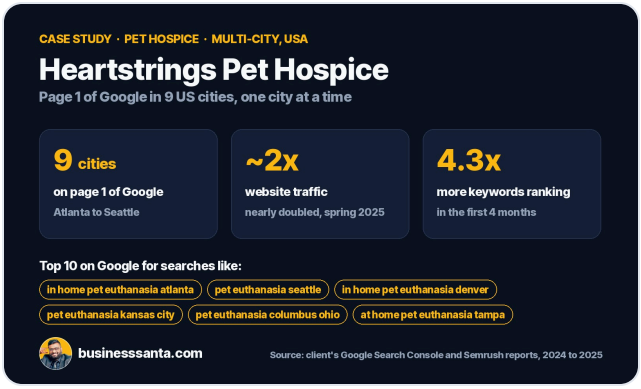

The situation

The client provides gentle, in-home end-of-life care for pets. It started in the Atlanta metro and opened a new city every few weeks. Every new location needed to be found by pet owners at the hardest moment of their lives, and the owners wanted to rank consistently near the top in every market.

What we did

- **Audit and foundation** (June to July 2024)
- **Weekly authority and reporting** (July 2024 onward)
- **City by city** (October 2024 to May 2025)
- **Redesign without losing ground** (January to April 2025)

11+
leads from Google Ads in 10 days (January 2026)

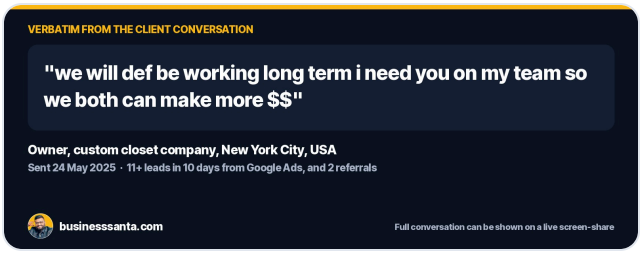

2
websites optimized

#1
on Google US for the brand name

2
business owners referred to us

The situation

A New York City custom closet company competing with national brands like California Closets and Closets By Design. The owner is great at closing sales once he meets a client. What he needed was a steady flow of leads.

The client's own message, 24 May 2025.

What we did

- **Foundation SEO for 2 websites** (June 2025)
- **Monthly SEO** (July 2025 onward)
- **Google Ads with lead capture** (November 2025 to January 2026)
- **Ongoing optimization** (February to April 2026)

> "we will def be working long term i need you on my team so we both can make more $$"
>
> Owner, custom closet company, New York City, USA · May 2025

Results

Leads	11+ leads from Google Ads in 10 days (9 to 19 January 2026)
Brand	#1 on Google US for the brand name (14 Nov 2026)

1.1K
searches the site ranks for (Nov 2025)

54.2K
Google impressions (Nov 2025 report)

#5
for "ac repair cost durham nc"

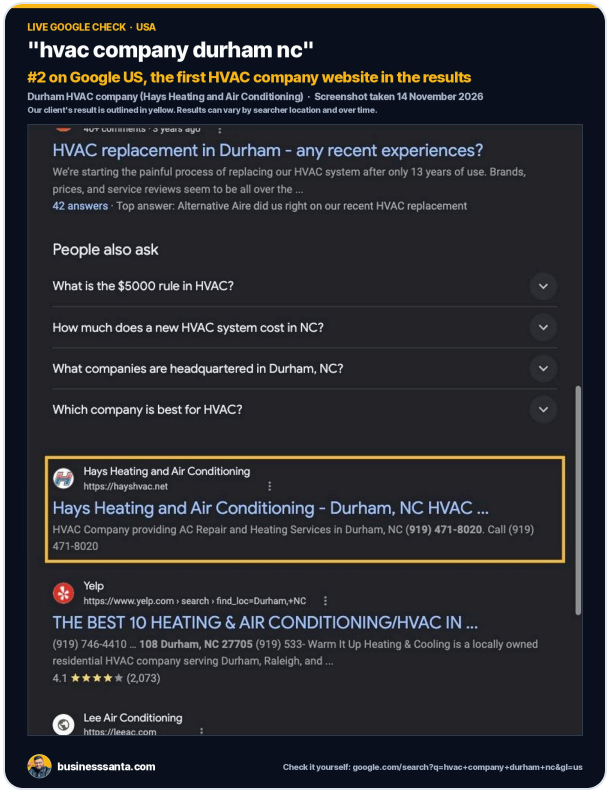

The situation

A Durham HVAC company that has served the Triangle since 1996. The owner had just bought a Moz Pro subscription and wanted a partner to set the site up properly, and to make sure ChatGPT and other AI tools recommend his company when people ask for an HVAC company.

What we did

- **Foundation SEO and GEO** (October 2025)
- **Monthly links and blogs** (November 2025 onward)
- **Content optimization** (December 2025 onward)

STORY 5 · BARBERSHOPS · LOS ANGELES, USA · SQUARESPACE

Top 3 on Google for "Mens Perm Los Angeles"

#3
"mens perm los angeles"

#3
"asian mens haircut los angeles"

Page 1
for 3 core Los Angeles searches

2
shops listed and promoted

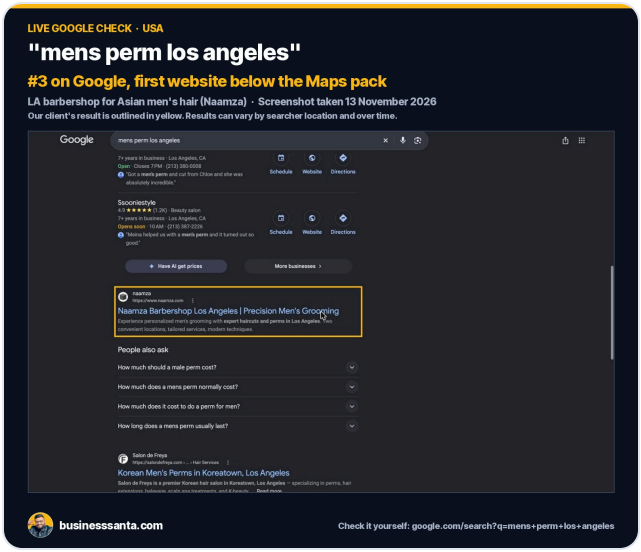

The situation

The shops specialize in hair many salons find hard: straight, stubborn Asian hair and the Korean-style men's perm. Most clients are Asian and Hispanic men in Los Angeles. They had tried backlink-only SEO before without results and wanted to be found for exactly what they are best at.

What we did

- **Foundation SEO** (November 2025)
- **Monthly SEO and niche content** (Nov 2025 to Feb 2026)
- **Both shops and service pages** (Feb to Jun 2026)

> "Excited to see our website grow!"
>
> Owner, barbershops, Los Angeles · November 2025

Top 3 on Google in Glendale, CA

#3
"headshot photographer glendale ca"

2 days
to advanced schema

2 cities
each page winning its own searches

Renewed
after month one

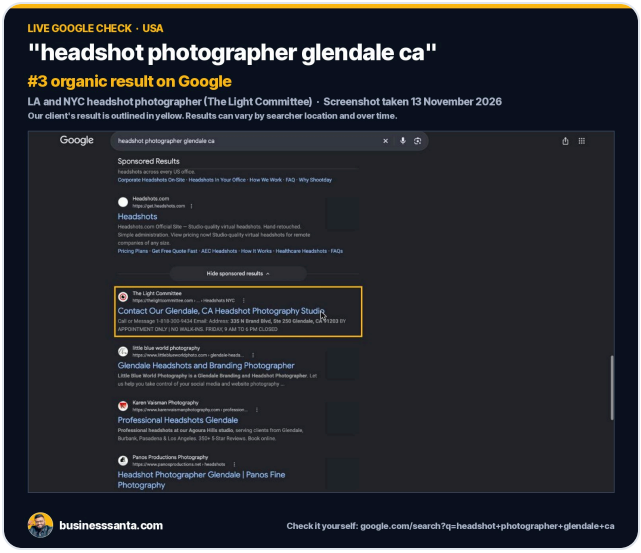

The situation

The client runs a one-person headshot and personal branding studio in Glendale with a second base in New York City. The images are the product, so the website has to show them at full quality and still be found by people searching in two very different cities.

What we did

- **Advanced schema in 2 days** (Aug 31 to Sep 2, 2026)
- **On-page and technical SEO** (Sep 3 to 10, 2026)
- **Monthly authority with clear reporting** (October 2026 onward)

> "OK, looking better."
>
> Owner, headshot photographer, Los Angeles and NYC · October 2026

#1
on Google US for the brand, with an AI Overview panel

+13%
keyword rankings (March 2026)

GEO
AI search work added alongside SEO

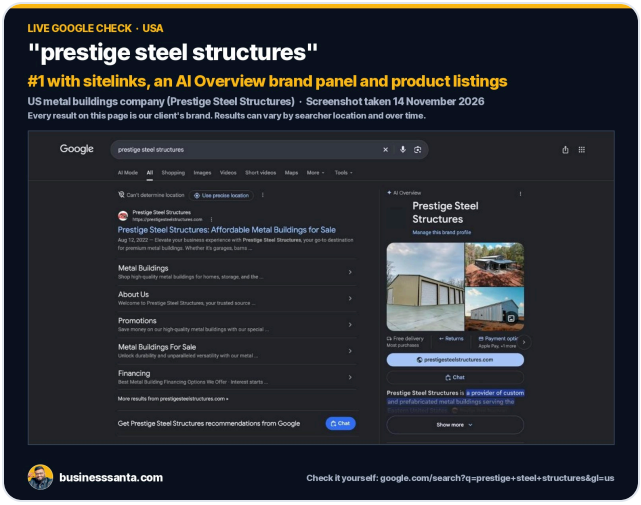

The situation

A US company selling steel buildings online and by phone, run by an owner who also works on construction sites. Traffic had dropped and it was hurting the business. He wanted to compete with the biggest names in the industry and needed a partner who would explain every step.

What we did

- **Find what caused the drop** (August 2025)
- **Clean-up** (September 2025)
- **Monthly SEO against named competitors** (September 2025 to March 2026)
- **AI search (GEO)** (October 2025 onward)
- **Content, products and design** (January to March 2026)

> "Yes I seen the website ranking for keywords! Good job let's keep going at it."

74 of 79
category pages indexed (Dec 2025)

1,000
old product links redirected (Jun 2026)

Page 1
on Google US for "smokey bear porcelain sign"

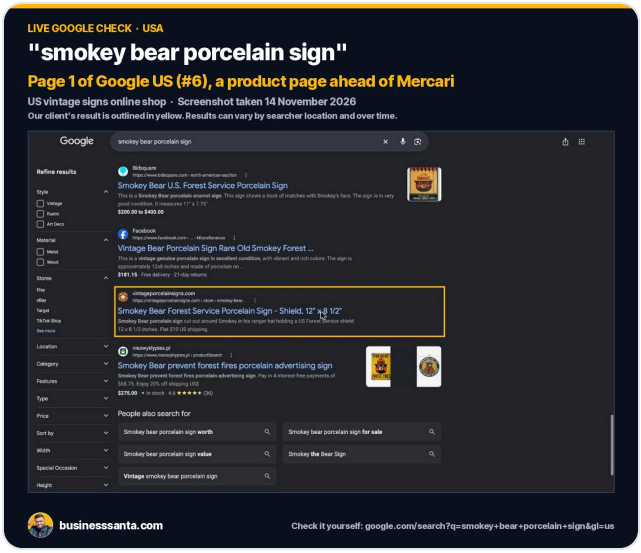

The situation

A small US business selling one-of-a-kind vintage porcelain signs. Every item is unique, so products were imported from eBay and deleted when sold, about 20 in and 20 out every day. After a year and a half online, Search Console showed just 1 indexed page, and earlier experts had not been able to fix it.

What we did

- **Audit and the hidden blockers** (November 2025)
- **Technical and on-page fixes** (November to December 2025)
- **A simpler setup** (Early 2026)
- **Redirects and product indexing** (June 2026)
- **On-page clean-up** (June to July 2026)

How we work

Every engagement runs in short, fixed-scope stages, so clients only pay for work they can see and choose each next step themselves.

1
Free audit and a call to understand the business and goals

2
A fixed-scope plan with named deliverables and a price agreed up front

3
A written report every week or month, with the source tool named

4
Renew only if happy. No long-term contract
